

Empowered Data

Our cloud-based IntelligentXchange® [IX] visibility solution works with any EDI translator and transforms complicated EDI data into actionable information. Immediately limit mistakes and research time, while finding opportunities to quickly and significantly impact customer relationships and revenue. IntelligentXchange allows you to instantly view all documents related to a customer's order and provide actionable information to improve customer service and compliance.

Best of all, IX can be deployed in as little as 2 weeks with no hardware and limited to no IT resources needed.

IntelligentXchange® Advantages

Unlimited Seats | Full Training | Limited IT Resources Needed | Up in Two Weeks

Testimonials

IntelligentXchange is raising the bar for us not only for the operations that support our EDI customers, but for all our customers.

— Vice President of Finance,
Winston Products

When I saw that IX allowed us to see the lifecycle of a document from purchase order to invoice all on one screen, I was sold.
